

ROOTS & SHOOTS INVITES  
YOU TO JOIN US AS WE LAUNCH  
OUR FOREST CAMPAIGN

# Planet Releaf

PLANET RELEAF is a Roots & Shoots Canada initiative that will focus on getting active on forest-related issues nationally and internationally, in order to unite people around a common theme and increase their impact for positive change.

Toronto, ON M5S 2S8

Come and learn about forest issues from local forest organizations and stay for two film screening sessions:

3 short films from the documentary series *Tree Stories* + Q&A with local film-maker, gardener, and community activist, Susan Poizner.

*Taking Root* + Skype discussion with co-director/producer, Lisa Merton. Film distributed by and with kind support from Mongrel Media.

We will also be announcing an exciting new project incentive for Roots & Shoots members!

Snacks will be provided.

Roots & Shoots, a program of the Jane Goodall Institute, is a global network of youth taking action to make the world a better place for people, animals, and the environment.
